Good morning,

Please find attached a full application for a refinance on behalf of my client, Nene Valley Estates Ltd (company number 12603318).

The company owns Ferris Way Trade Park, Ferris Way, Northampton NN4 7XA, a freehold estate of six industrial units which it bought in 2020. All six units are let, with a passing rent of £126,600 per annum. The property was valued by Ashby Kerr Chartered Surveyors at £1,560,000 on 2 October 2026.

We are looking for a loan of £920,000 over a 5 year term, interest only, to repay the existing facility with Northgate Commercial Bank (redemption figure £901,580, statement attached). My client would like a fixed pay rate of 7.4%.

The directors, Helen Marsh and Tobias Adeyemi, will both give personal guarantees. They have owned and managed industrial investment property in the East Midlands since 2016 and the company now holds four estates. There is no adverse credit. Accounts to 31 March 2026 are attached.

Everything you need should be attached, but let me know if not.

Kind regards,
