Ashby Kerr Chartered Surveyors

Valuation report for secured lending purposes. Reference AK/26/1002. Prepared in accordance with the RICS Valuation Global Standards (Red Book).

Property	Ferris Way Trade Park, Ferris Way, Northampton NN4 7XA
Instructed by	Nene Valley Estates Ltd (borrower instructed; lender reliance to be confirmed)
Date of inspection	28 September 2026
Date of valuation	2 October 2026
Basis	Market value, subject to the existing tenancies
Tenure	Freehold, title NN123456 (sample)
Description	Estate of six single-storey industrial and warehouse units, built 2004, steel portal frame,
Floor area	18,400 sq ft gross internal area in total
EPC rating	C (all units)
Market value	£1,560,000 (one million, five hundred and sixty thousand pounds)
Capital value	£85 per sq ft
Passing rent	£126,600 per annum (£6.88 per sq ft)
Market rent (ERV)	£131,000 per annum (£7.12 per sq ft)
Net initial yield	7.6% (after purchaser's costs of 6.8%)
Vacant possession value	£1,250,000 (special assumption: all units vacant)
Reinstatement cost	£2,100,000 for insurance purposes

Location

Ferris Way is an established trade and industrial location two miles south of Northampton town centre and 1.5 miles from junction 15 of the M1. Northampton is one of the strongest small and mid-box industrial markets in the East Midlands, supported by the M1 and the Golden Triangle logistics area. Availability of units under 5,000 sq ft in the town is low, at about 3% of stock.

Tenancies and tenant covenants

All six units are let on full repairing and insuring leases. The largest tenant pays about 19% of the rent, so the income is well spread. Weighted unexpired lease term is 4.3 years to expiry and 3.9 years to break. Our comments on the tenants are based on their latest filed accounts at Companies House:

Unit	Tenant	Rent pa (£)	Comment
1	Apex Print Solutions Ltd	24,000	Trading since 2009. Net assets £640k at Dec 2025. Good covenant for the size of unit.
2	Kettering Kitchens Ltd	21,500	Trading since 2015. Net assets £310k. Tenant break in September 2028.
3	Midshires Auto Parts Ltd	23,000	Regional distributor, 11 branches. Net assets £2.1m. Strongest covenant on the estate.
4	Halden Logistics Ltd	19,800	Small parcel operator. Net assets £95k. Weaker covenant; lease ends December 2029.
5	Copperleaf Brewing Co Ltd	18,300	Craft brewer, trading since 2017. Net assets £180k. Has invested in fit-out, so likely to stay.
6	Swift Scaffold Hire Ltd	20,000	Trading since 2012. Net assets £420k.

Comparable evidence: lettings

Date	Property	Size (sq ft)	Rent (£ per sq ft)
Aug 2026	Unit 9, Harlestone Court, Northampton	3,200	7.25
May 2026	Unit 4, Weston Mill Court, Northampton	2,850	7.00
Feb 2026	Unit 12, Spinney Hill Works, Northampton	3,600	6.95

Comparable evidence: investment sales

Date	Property	Price (£)	Net initial yield	£ per sq ft
Jul 2026	Multi-let estate, Wellingborough (6 units)	1,420,000	7.8%	79
Apr 2026	Multi-let estate, Daventry (8 units)	2,350,000	7.3%	92
Jan 2026	Multi-let estate, Kettering (5 units)	1,180,000	7.9%	76

The subject sits within the range of the investment evidence. It is better located than the Wellingborough and Kettering estates, which supports a yield of 7.6%.

Condition

The units are in good condition for their age. Roofs were replaced on Units 1 to 3 in 2022; Units 4 to 6 have original roofs with an estimated remaining life of 8 to 10 years. We noted no deleterious materials or contamination concerns. The tenants repair the units under their leases.

Market commentary and risks

Demand for small industrial units remains strong and rents in Northampton have grown about 4% a year since 2022. The main risks are the weaker covenant of Halden Logistics Ltd, the tenant break at Unit 2 in 2028, and the cost of roof works to Units 4 to 6 in the medium term, which would largely be recoverable through the service charge and dilapidations.

Suitability as security

In our opinion the property is good security for a loan of up to 65% of market value over a five year term. It would sell readily as an investment or, if vacant, to owner occupiers.
